DEPUTY CLERK

Honorable Edward J. Garcia
Senior United States District Judge

RE: **Richard Lucas ALCALA**
Docket Number: 2:03CR00341-01
REQUEST FOR RECALL OF WARRANT

Your Honor:

On September 18, 2007, a request for a warrant was submitted to your Honor as Mr. Alcala was alleged to have violated several conditions of his supervised release conditions. (The petition is attached for the Court's review). Mr. Alcala has another Federal case with Judge Wanger in Fresno under Docket Number 1:04CR05330-01. A warrant was requested and ordered in that case as well. After review of the date of issuance in this case, it was noted the warrant was issued on September 27, 2007, the day after Mr. Alcala terminated from supervision in Docket Number 2:03CR00341-01. Therefore, we are requesting the warrant in this matter be recalled. Mr. Alcala will still face violation proceedings on his other federal case.

EXECUTED ON: September 28, 2007
